Dear Parent/Carer

**Re: Creative Technology Voluntary Contribution**

At Key Stage 3, pupils in Technology will design and make a range of products that they are able to take home on completion, items may include: felt softies, mosaic cushions, USB lamps and animal feeders.

The Creative Technology Faculty provides the materials needed to produce the items in Resistant Materials and Textiles as well as the provision of foil, oven proof containers and certain items such as seasoning/oils in Food and Nutrition. In order for these projects to be successful, parents/carers are requested to make a one off voluntary contribution of £15.00 towards the cost of the projects completed in years 7, 8 and 9. This is necessary due to the increasing cost of materials.

If you wish to make this voluntary donation please can you do so via ParentPay.

Thank you for your support and contribution.

Yours faithfully

*DRarity*

Mrs D Rarity  
Director of Creative Technology
