Dear Parent/Carer

Re: Cancelled Work Experience Evening

I hope this letter finds you and your families well in these challenging circumstances.

There was a Work Experience information evening scheduled for this Thursday 21st January but given the current circumstances this has unfortunately been cancelled. It is highly unlikely that Work Experience will be able to go ahead this year and whilst this is regrettable, I am sure that you can understand the reasons for this.

Students will still benefit from Careers advice within their PSHCE curriculum and we will continue to promote any opportunities that arise for students to participate in Virtual Work Experience. We have been working with one company who offer a Virtual Experience in a range of specialisms and this has been a success with several of our Year 11 students. We will look to offer this for our current Year 10 students next year. If any parents/carers would like to find out more about this opportunity, you will find the following link useful <https://investin.org/>

We have a dedicated Careers Advisor in school, Miss Ashworth who is able to offer advice and guidance. She can be contacted by email g.ashworth@stjamesheadle.co.uk

You will also find an area of our website dedicated to Careers with information for parents, labour market information, and external careers links at <http://www.stjamesheadle.co.uk/careers/>

If you have any queries related to Work Experience, please do not hesitate to contact me at d.rarity@stjamesheadle.co.uk

Thank you for your continued support.
