Dear Parent/Carer

Re: Subscription to 'MY-GCSESCIENCE.COM'

As part of our commitment to supporting your child through their GCSEs, the school would like to offer your child a subscription to the 'my-GCSEscience' videos and resources.

We are keen that as many students as possible have access to high-quality revision resources at home, so that they are in the strongest possible position to study independently for tests and exams. They may also need to follow up classwork after absence, or when they have found a topic more challenging and wish to review it. Of course, science teachers will continue to offer help to individual students as required, but students will really benefit from having these resources to use outside of their lessons.

We are delighted to have secured a deal for optional individual subscriptions of www.my-GCSEscience.com which provides detailed videos, on all the content, that will be assessed in the final GCSE Science exams in Summer of 2021. This website has been updated for the new 9-1 GCSE specifications and provides an excellent online revision package, complete with 'traffic-light' progress checker, exam-style questions, mark schemes and tips for the exams.

If you would like to have a closer look before ordering, please go to www.my-GCSEscience.com. Subscriptions are for two academic years and will last until the end of **June 2021**.

As the school will be buying 'in bulk', parents will be able to buy a login 'access code' at a substantially reduced price, as shown below:

	Expiry	Purchased from school	Purchased from My GCSE Science	Discount
Double Award	30-Jun-21	£7.95	£49.90	84%
Triple Award	30-Jun-21	£15.95	£99.80	84%

As you can see this would be a discount of 84%. However, there is a minimum order size and we can only proceed with the order if we receive enough interest and funds from parents/carers.

If you are interested in purchasing a subscription for you child then our online payment system, ParenPay is available. If you do not have a ParentPay account please call the Finance Office on 0161 482 6903. Payment is required by **18th October 2019**.

If using ParentPay, you are giving your consent for the school to purchase a subscription on behalf of your child.

Yours faithfully
