

COVID-19 Catch up Premium Strategy

2020-21

Policy Owner	Senior Deputy Headteacher
Responsible Committee	Quality of Education Committee
Date of Adoption	September 2020
Date of Review	March 2021

St James' Mission Statement:

To ensure everyone within our school **family** achieves their full potential, to encourage learning and development through **faith**, and to strive for **excellence**

Rationale:

The DFE is providing additional funding to schools to help schools to support their students to catch up for lost teaching over the previous months. Schools have the flexibility to spend their funding in the best way for their cohort and circumstances

Aims:

• To ensure all students make good progress utilising additional funding to provide academic and pastoral support

Strategy Overview:

Our catch up priorities are focused around three strands:

- Teaching
- Targeted Academic Support
- Wider Strategies

Within these strands, the core approaches are strengthening teaching and learning, ensuring any gaps are identified and addressed either through first teaching or catch up sessions. We are also focused on supporting students' mental wellbeing and preparing them for their future career path.

Our overall aims support our school value 'to educate and develop global Catholic citizens' through the drive to ensure no pupil is disadvantaged in their attainment and wellbeing due to Covid-19.
