Dear Parent/Carer

Re: Create Music

Mr Holland, is a former Teacher of Music at St James' and now works for Create Music.

Create Music offers the opportunity for online guitar lessons. This would allow for your child to have an online lesson with Mr Holland. Each 30-minute lesson will consist of 20-minutes live with their tutor using the video platform 'Zoom'. Children then apply what they have learnt using a pre-recorded play-along video tutorial for the remaining 10-minutes.

Create Music have a carefully designed curriculum that will help your child to improve their guitar skills quickly, this can be applied to either a beginner or someone who has been playing for a few years. It is a great opportunity to improve or learn a new skill.

If you are interested in the opportunity please do contact admin@wecreatemusic.co.uk.

I must state that St James' is not endorsing Create Music nor is it responsible for students who use Create Music especially from a safeguarding perspective (this would be parental responsibility). Please do contact Create Music if you would like to discuss their strict safeguarding policy. They will require consent from parents to record online lessons for this purpose.

Yours faithfully

Mr A Pontifex
