Dear Parent/Carer

Re: Year 10 Food Preparation and Nutrition

The Food Preparation and Nutrition GCSE course that your child has opted to study, is far more practically based than previous Food GCSE courses. With this in mind we have set up a new system for ingredient provision, which has been successful in previous years. The arrangement is that the school will provide the ingredients during Year 10 in exchange for a termly voluntary contribution, pupils will only be required to remember to bring in containers for each practical lesson.

In order to maintain our high standards in GCSE Food Preparation, we now request pupils wear a Chefs Jacket rather than an apron.

The cost of the chef jacket and ingredient contribution is £30 for the Autumn term. The slip and payment should be returned to school. ParentPay is available for this initiative and payment by ParentPay is preferable. When paying by cash please ensure your child has the correct money and it is handed in to reception in a sealed envelope. Pupils must return their form and contribution by Friday 27th September to allow the food ordering for the rest of the term to be completed.

Thank you for your ongoing support and we hope you enjoy the many dishes that the GCSE pupils will be making within GCSE Food Preparation and Nutrition over the coming year.

Yours faithfully,

Miss V Bickerton
Food Technology

Mr A Pontifex
Headteacher
