

18th December 2019

Dear Parent/Carer,

MYEd app – St James' Catholic High School

My Ed is the free parent app that gives you a multitude of communication and information features to stay in touch with what is going on at school. The app gives you direct access to your child's attendance, timetable, absence records, achievements, behaviour and much, much more. You will also see that we update and change the information in the app as the school year moves along. The app is easy to find and download on your smartphone from the app store.

The app will link with the primary contact for your child (i.e. the parent/carer who currently receives texts from school). Please do let the school know if we do not have the correct mobile number for your child's primary contact. Having downloaded the app, search for St James' Catholic High School, Cheadle Hulme, ensuring that you select the correct address for our school, as there are other schools with the same name. The app will ask for your details e.g. name, email address and mobile phone number. You will then receive an activation code to link with your child. If you have more than one child it will automatically link with both children. *NB it may take up to 24 hours for the link with your child to be completed.*

Please contact the school office with any queries 0161 482 6900.

Yours sincerely

Mrs J Doherty
School Business Manager
