Dear Parents/Carers

Re: Postponement of Parents' Evening and Sports fixtures

Following advice from the local authority and Public Health England we have decided to postpone the upcoming Year 7 Parents' Evening and all sporting fixtures from Tuesday 17th March, this will be reviewed after Easter. At this time the safety of all our children and staff must take priority.

We will keep you updated of any changes via the MyEd app., the school website and Twitter. Thank you for your understanding at this time.

Yours faithfully

Mr A Pontifex
