## CATHOLIC HIGH SCHOOL

### Provider Access Policy

Policy Owner	Deputy Headteacher
Responsible Committee	Policy & Practice Committee
Date of Adoption	May 2019
Date of Review	May 2022

#### St James' Mission Statement:

*To ensure everyone within our school **family** achieves their full potential, to encourage learning and development through **faith**, and to strive for **excellence**.*

#### Rationale:

At St James' Catholic High School, we believe that our pupils, as they strive for excellence, should have regular access to information regarding their next steps into potential employment or further education. This policy sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

#### Aims:

All pupils in Years 8-11 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies, group discussions and taster events
- to understand how to make applications for the full range of academic and technical courses

**Management of provider access requests:**

A provider wishing to request access should contact Mrs Helen Grainger, CEIAG lead, Telephone: 0161 482 6900

## **Premises and facilities**

The school will endeavour to make accommodation and resources available for discussions between the provider and students, as appropriate to the activity and timing. This will all be discussed and agreed in advance of the visit with the Headteacher. All presentations must be approved by the Headteacher so that they are in keeping with the Catholic nature of the school.

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the CEIAG Lead.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at reception, which will be passed to the CEIAG lead, Mrs Helen Grainger. This information will then be distributed through the library which is available to all students at break, lunchtime and afterschool.

## **Safeguarding**

All visitors will follow the Safeguarding Policy of the school (see Safeguarding Policy). Visitors will sign into school, be given a lanyard of appropriate safeguarding value and await a member of staff to escort them during their time in school if they do not have full DBS clearance.

## **Requests**

Permission will be granted for providers to visit St James' unless there is a potential safeguarding issue, the provider is not reputable, details of what will be presented are unclear or do not satisfy school standards. Permission will also be refused if the material is not in accordance with the Catholic ethos of St James'.
