

ST JAMES'
CATHOLIC HIGH SCHOOL

8th September 2021

Dear Parent/Carer

Re: Geography day trip to the Lake District cancelled

Due to circumstances beyond our control, unfortunately the day trip to the Lake District on 10th September has been cancelled. We apologise for the inconvenience and all money paid will be reimbursed.

Whilst the trip would have been a good opportunity to practise geographical skills, as well as further our understanding of our topics of Glaciation and Tourism, the cancellation will not negatively impact upon the students' GCSE as it not a requirement for students to complete fieldwork outside of the classroom. Instead, students will complete virtual fieldwork with their teachers.

Yours faithfully

Mr J Cawley
Deputy Director of Humanities
