

ST JAMES'

CATHOLIC HIGH SCHOOL

2nd December 2020

Dear Parent/Carer

RE: Provision of calculators in mock examinations

We have been extremely impressed by how well Year 11 have prepared for and begun the mock examination series. It is important that all students remain fully equipped each day for their examinations. In particular, if a calculator is required for a particular subject **this must be brought in by the student**. Due to ongoing restrictions caused by Covid-19, the school is unable to provide calculators in examinations.

Thank you for your continued support.

Yours faithfully

Dr S Guscott
Deputy Headteacher
