Dear Parent/Carer

Re: Germany Trip July 2021

Due to the current pandemic, it is looking increasingly unlikely that the Year 8 trip to Germany will go ahead as planned in July of this year. It is therefore likely that the trip will be postponed until next year. As the company are currently furloughed, it is not possible at this stage to give definitive dates for this, however as many people will be returning to the work place in the coming weeks, I hope to be able to provide you with the new dates for the trip in due course.

Whilst I am sure this will be a huge disappointment to many of the pupils, please rest assured that we will do everything we can to ensure the pupils have an enjoyable and safe experience when we do visit Germany at a later date.

Should you have any further questions please do not hesitate to contact me (d.massey@stjamesheadle.co.uk)

Yours sincerely

Miss D Massey
Director of MFL
