

November 2019

Dear Parent/ Carer

**Re: Apprenticeship Evening**

At St James', we are committed to providing a full programme of Careers information, advice and guidance to all pupils in Years 7-11.

Through new government legislation, the development of apprenticeships is now seen as an alternative path for training and also a gateway to further study at degree level. There are a wide range of new opportunities now available and it is important that parents and pupils are aware of these opportunities.

As such we are inviting Year 9 parents and pupils to attend an information evening on Thursday 5th December 2019. The evening will begin at 6.30 pm and is expected to last until 7:15pm.

There will be a presentation from several providers, as well as the opportunity to ask questions at the end.

Yours faithfully

Mrs. H. Grainger  
Teacher in charge of Careers
