

21st February 2022

Dear Parent/Carer

**YEAR 8 CURRICULUM, STUDENT WELL-BEING, AND HOW BEST TO SUPPORT YOUR CHILD
HALF TERM 4**

The Curriculum at St. James' is the foundation of everything that we do in school, and full information about what your child will be learning at Key Stage 3 and Key Stage 4 can be found on the school website at www.stjamesheadle.co.uk/curriculum. Here, you will find whole school and faculty curriculum statements which sum up our vision of what a knowledge-rich, properly sequenced and challenging education should look like. By clicking on each faculty icon, you will be taken to the curriculum 'progression grids' for each subject, which outline what will be taught each half term and how it will be assessed.

In Half Term 4, this is what is intended to be studied in Year 8 in each subject. Please be aware that due to the current restrictions, the delivery of the curriculum may be subject to change:

SUBJECT	TEACHING CONTENT	ASSESSMENT
English	Writing to argue and persuade The History of English	Writing assessment Write a speech in response to a statement. Reading assessment: Thematic comparison of two texts. Speaking and Listening: Presentation of the etymology of a given word.

	Relationships; Prejudice and discrimination; Think Before you Share; The social, personal and legal consequences of sharing images of a sexual nature; Wider World; Exploring issues of prejudice, discrimination and homophobic bullying	
--	---	--

In the coming weeks, you can continue to support your child in a number of ways:

- Your child needs to review work done in Year 8 every week – through mind maps, re-reading information, practicing examination questions. Subject teachers will be able to provide information on this. Further information can be found at www.stjamesheadle.co.uk/homework
- Check that your child is keeping up all of the work on Show My Homework
- Speak to your child about what they are doing – this could be through asking them what they have done, testing them on what they have written etc
- Ensure that they have regular breaks and get a good night's sleep – work in chunks of time, turn off mobile phones and devices an hour in advance of going to bed
- At the same time, reassure them – at home and in school, we want to challenge our students to do their very best, but we also need to understand the stressful time that we have all gone through (and continue to go through)

Yours faithfully

Dr. S. Guscott
Deputy Headteacher (Curriculum and Pastoral)
