

21<sup>st</sup> February 2022

Dear Parent/Carer

**YEAR 9 CURRICULUM, STUDENT WELL-BEING, AND HOW BEST TO SUPPORT YOUR CHILD  
HALF TERM 4**

The Curriculum at St. James' is the foundation of everything that we do in school, and full information about what your child will be learning at Key Stage 3 and Key Stage 4 can be found on the school website at [www.stjamescheadle.co.uk/curriculum](http://www.stjamescheadle.co.uk/curriculum). Here, you will find whole school and faculty curriculum statements which sum up our vision of what a knowledge-rich, properly sequenced and challenging education should look like. By clicking on each faculty icon, you will be taken to the curriculum 'progression grids' for each subject, which outline what will be taught each half term and how it will be assessed.

In Half Term 4, this is what is intended to be studied in Year 9 in each subject. Please be aware that due to the current restrictions, the delivery of the curriculum may be subject to change:

SUBJECT	TEACHING CONTENT	ASSESSMENT
English	Exploring contexts (19th/ 20th/ 21st century) using media.	Exploration and analysis of advertising over time. How have attitudes towards gender changed over the centuries?

# ST JAMES'

CATHOLIC HIGH SCHOOL

	Marriage; Different types of committed relationships; One hundred percent Consent and respect; Rights and responsibilities; Physical consent, sexual exploitation and human rights	
--	--	--

In the coming weeks, you can support your child in a number of ways:

- Your child needs to review work done in Year 9 every week – through mind maps, re-reading information, practicing examination questions. Subject teachers will be able to provide information on this. Further information can be found at [www.stjamesheadle.co.uk/homework](http://www.stjamesheadle.co.uk/homework)
- Check that your child is keeping up with all of the work on Show My Homework
- Speak to your child about what they are doing – this could be through asking them what they have done, testing them on what they have written etc
- Ensure that they have regular breaks and get a good night's sleep – work in chunks of time, turn off mobile phones and devices an hour in advance of going to bed
- At the same time, reassure them – at home and in school, we want to challenge our students to do their very best, but we also need to understand the stressful time that we have all gone through (and continue to go through)

Yours faithfully

Dr. S. Guscott  
Deputy Headteacher (Curriculum and Pastoral)
