Dear Parent/Carer

Re: Extra Curricular Activities

I am delighted to share details of the exciting extracurricular activities available to children this term. These activities provide wonderful opportunities for your child to develop new skills, build friendships, and explore their interests beyond the classroom. All activities are completely free and delivered by our teachers and teaching assistants at lunchtimes and after school.

To help your child choose, we've included the list of clubs running in the Spring term below. You can also find this information on the Extra Curricular page of our website.
