Summary

This booklet shows all home to school bus services as provided to schools within the district of Stockport.

Other booklets are available for schools across the other 9 districts of Greater Manchester and these can be found our dedicated school's page Travelling to school | Bee Network | Powered by TfGM

In addition to the services contained in this booklet, there is a network of general bus services which can also be used to get to and from school. Details of these can be found at tfgm.com/public-transport/bus/.

Most services shown in this booklet operate only on the school days of the schools that the services operate for and will not operate during school holidays or on days when students are not in attendance. Some buses are shared between schools and in these instances, buses will operate on days that all relevant schools are in attendance unless marked on the timetable.
