

**ST JAMES'**  
CATHOLIC HIGH SCHOOL

# Our Yearly Carbon Footprint is...

Energy

**219 kgCO<sub>2</sub>e per pupil**

This is similar per pupil to most schools on the Zero Carbon Schools programme

Travel

**168 kgCO<sub>2</sub>e per pupil**

This is similar per pupil to most schools on the Zero Carbon Schools programme

Purchasing

**153 kgCO<sub>2</sub>e per pupil**

This is similar per pupil to most schools on the Zero Carbon Schools programme

Food

**169 kgCO<sub>2</sub>e per pupil**

This is similar per pupil to most schools on the Zero Carbon Schools programme

We are one of the first schools in the country to calculate our annual carbon footprint!  
Knowing your carbon footprint is an important first step.

**What could you do to help reduce it?**
