Following on from our Key Stage 4 Careers Convention which took place in October, we asked for feedback about the event.

Pupils said that they enjoyed hearing from all the speakers, with the RAF and Mercedes being particular favourites.

There were also requests for more sports options and different A Level providers so this is something we will look at for next year.

Careers Breakfast

This week we hosted our first Year 8 Careers Breakfast talk, where pupils have the opportunity to hear from a speaker who works in a career field of their choice. We welcomed Michael Raynes from Stockport County who spoke to pupils about his career as a professional footballer and beyond.
