CURRICULUM MAP

Year 11

Students follow the AQA GCSE curriculum, focussing mainly on Papers 2. There is a continued delivery of all four main themes: places; enquiry and skills; patterns and processes; and environmental change. There will be a slight degree of overlap depending on the length of terms and when Easter falls. Opportunities for revision come throughout the year, through interleaving in lesson and targeted homework, as well as before mock

Easter falls. Opportunities for revision come throughout the year, through								
	and targeted homework	* '	0					EOY Assessment Point
